Timber Creek High School Key Club

MONTHLY GOAL

This month our goal was to spread kindness and positivity in our community! We also wanted to conserve the beauty of our local beaches that make our state so beautiful.

HAPPY ROCKS

Our members met up together on zoom to paint rocks that would spread positivity throughout our community!

Thank you to everyone who participated and thank you to our district webmaster, Ishi Panguluri, for joining us as well

BEACH CLEAN UP

Florida has incredibly beautiful beaches and we wanted to help keep it that way! We cleared the beach of any trash and bonded as a club.

We were able to gain a total of 4 hours as we helped protect the beauty of our local beaches.
