

DECEMBER NEWSLETTER

TCHS Key Club

MONTHLY GOAL

Before the new year begins, we wanted to make sure we end the year strong by helping our community and its members as much as we could. We also wanted to make sure we celebrate holidays around the world help others enjoy their traditions.

POPCORN FUNDRAISER

DCON is approaching in April, and we want to make sure we can bring as many people from our club as possible. This month we started a fundraiser where we sold popcorn bags for a dollar each during lunch and gained lots of success doing so.

STONE LAKES WINTER FESTIVAL

During the month of December, we helped Stone Lakes Elementary School with their winter festival. We helped the children make gingerbread houses, played holiday games with them, and helped set up and break down the event.

BREAKFAST WITH SANTA

Our community loves to host events during the holidays to make children and families happy and we love to help them achieve this goal. On December 10th our members went to the marketplace to help set up breakfast with Santa for all the children to enjoy.

HOLIDAYS AROUND THE WORLD

Our school is filled with people from different backgrounds which is why SGA gave us the opportunity to showcase how people around the world celebrate their holidays. Our club showcased Venezuela and their traditions for celebrating Christmas.
