

November Newsletter

Timber Creek High School Key Club

Monthly Goal:

With Thanksgiving being this month, our goal was to show how grateful we are for our members, families, and teachers/sponsors. Without these people key club wouldn't be possible at Timber Creek, so we wanted to make sure we show our gratitude.

Thanksgiving Cards/Baskets

In order to show our gratitude, during our club meeting we made Thanksgiving baskets and Thanksgiving cards. We wrote who we were thankful for and decorated them to give to our teachers, friends, or families.

Camelot Field Day

In order to show our gratitude to our communities, our club members volunteered at Camelot Elementary School's field day. Our members helped set up and organized games for the kids to play with and helped clean up afterwards.

Distributing Thanksgiving Cards

After making our Thanksgiving cards at our November meeting, we wanted to make sure our friends, families, and teachers received them. We had members dedicate their time during school to deliver these cards and make sure that person knows they are appreciated.
