Timber Creek High School Key Club

K-Family Meeting

This month our members volunteered at the annual K family meeting. This meeting showcased the elementary, middle school, and high school Kiwanis clubs and all the hard work they have done throughout the year. We were even able to get on stage and tell the audience some of our favorite projects this year.

Homecoming Parade

Every year our school has a homecoming parade where every club has a float! They also hold a competition every year for the bets float. This year the theme was movies. We decorated our float as Willy Wonka and won 1st place in the competition! Thank you to everyone who joined us at the parade and everyone who helped make decorations.

Goodie Bags Project

With DCON approaching in the fall, we had the idea of raising money through fundraisers. These fundraisers will help pay the cost of DCON and will make it possible for more of our members and officers to attend. Our first fundraiser was selling pumpkin goodie bags and boo grams which our members helped make.
