

SEPTEMBER NEWSLETTER

Timber Creek High School Key Club

Monthly Goal

Homecoming is approaching, and as a club we want to be as involved as we can and help the community at our school.

KEY TO THE CLOSET

Key to the closet is a room at our school dedicated to donated dresses that anyone at our school can wear for events like homecoming. As a service project we organized this closet and made it easier for our peers to come in and find what they're looking for.

CLUB RUSH

Club rush is another opportunity for us to recruit new members during lunch. Our members dedicated their time to recruit their peers and share information as to why key club is a great fit for them.

HOCO DECORATIONS

Our homecoming is approaching and we wanted to make sure we were ready to decorate our float for the parade. Our members helped make decorations for our Willy Wonka themed float.

PAPEL PICADO PROJECT

The month of September is also Hispanic Heritage Month and we wanted to celebrate Hispanic traditions by making Papel Picado, which is a famous Hispanic decoration.
